

REMARKS

Applicants elect, without traverse, the invention of Group II (claims 13 to 19), and further under Species B, set forth by the Examiner to be directed to a series of numbers as in claim 7.

Claims 1, 9, 12, and 20 to 28 have been cancelled as being directed to a non-elected invention. Claims 2, 3, 4, 5, 10, and 11 have been amended to depend from independent claim 13. Claim 7 depends from claim 5, and claims 6 and 8 have been withdrawn as being directed to a non-elected species for further consideration upon the allowance of claim 13.

Applicants believe that claims 2 to 8, 10, 11, and 13 to 19 read on the elected invention.

Claims 2 to 8, 10, 11, and 13 to 19 remain in the application.

It is respectfully submitted that this amendment places this application into condition for allowance.

An automatic one-month extension to respond, up to and including December 5, 2009, is respectfully requested. Please charge any fees that may be due, or credit any overpayment, to Deposit Account No. 17-0055.

Respectfully submitted,  
GREGORY SORENSEN et al.

Dated: 12/4/2009
